Dear Trader/Agent

13TH DEFERMENT PAYMENT AT THE END OF THE 2018/19 FINANCIAL YEAR

This letter serves as a reminder to all Customs Clients who are deferment account holders to kindly adhere to the 13th deferment payment requirements, which become due by each financial year-end.

The Customs External Standard-Deferment document (SC-DT-B-02) effective 27 November 2015 stipulates that, in addition to the twelve (12) regular payment dates chosen by the client, there will be a thirteenth payment in March every year.

Therefore, the statement period for the thirteenth payment of this financial year (2018/2019) will close on 28 March 2019 at midnight (00.00) and payment must be made by 15h00 on 29 March 2019. The e-statements will be available as at 00h01 on 29 March 2019 for account holders who are on eFiling, whereas account holders not on eFiling are advised to make prior arrangement to collect statements at the respective Customs Branch Offices.

Furthermore, stakeholders are advised, specifically in cases where their bank does not transfer direct payments immediately, that they should ensure that payments are made sufficiently in advance in order to meet the payment deadline as above, otherwise a deferment suspension will be applied in line with the policy.

Your cooperation in this regard is highly appreciated.

Sincerely
