

South African Revenue Service

Dear VAT Vendor

NEW VAT201 FORM

Earlier this week we notified you that we had issued the old format VAT 201 form for the March 2011 period.

As part of the Modernisation Programme that was communicated to you recently, we had indicated that the layout of the VAT form will be changed and the use of the Payment Reference Number will be mandatory.

Although the old form was issued on Sunday, it has now been decided to release the new VAT201 form for the March 2011 period. Please note that if you have not yet submitted your March return, you will be required to complete and submit your March return on the new VAT 201 form. The old forms that were issued on Sunday have now been deleted from your profile.

As was highlighted in recent communications, you will now need to request the return on your eFiling profile, as the March return will not appear on your profile when you log on.

For further information or assistance visit a SARS branch, or call the SARS Contact Centre on 0800 00 7277.

Sincerely

ISSUED ON BEHALF OF THE COMMISSIONER FOR THE SOUTH AFRICAN REVENUE SERVICE
