Subject: SARS LEARNERSHIP PROGRAMME 2016 (CPT & GP)

South African Revenue Service

Dear Applicant

I am very pleased to inform you that your name has been shortlisted for the SARS Learnership Programme 2016. We look forward to meeting you for the interview.

A quick recap of what the training will offer to you: (1) A stipend allowance of R4 500 per month (2) NQF Level 4 qualification in internal auditing, forensic accounting, human resource and security studies) and (3) Guaranteed employment after successfully completion of the training..

We are a 100 % black owned recruitment company and thus have been chosen by the Gauteng Provincial Government to select and interview all shortlisted applicants. Let me categorically state that the training is free of charge. The once off administration fee of R150.00 is for administration purposes only. Ensure that you pay your administration fee so that I can arrange and confirm your interview date and time. Interviews will start from next Monday, 2nd November until Friday, 6th November. The program will begin in January 2016.

Like most small companies we also have adopted the new Money Transfer Service and making full use of it. It is really cost effective and convenient compared to normal banks who charge overwhelmingly. As a small recruitment company we encourage savings in order to grow and possibly be the likes of Cozens and Quest. All you need when making the transfer is your ID with you and the ladies at the Shoprite Money Market will be glad to assist you. You will be provided with a unique M number and Pin. As soon as I receive those details to confirm your account settlement - I will be able to provide you with your interview date, time and venue directions. Time is of the essence. Act quickly to avoid any disappointments.

Good luck and God bless.
