### NOTICE OF TAX PAYMENT FOR TRANSFER OF FUNDS

Assessment Summary Information	
AMOUNT TRANSFERRED	\$7,500,000.00
INCOME TAX FEE (0.1% of Amount Transferred)	\$75,000.00
<b>TOTAL INCOME TAX FEE TO BE PAID</b>	<b>\$75,000.00</b>

Dear Sir/Madam,

This is tax assessment as regards to the Transfer of the funds \$7,500,000.00. Seven Million Five Hundred Thousand United States Dollars Only from VBS Bank. In our record, your clients has an outstanding tax fee of US\$46,889 which needs to be paid before VBS Bank will proceed with the release of the US\$7.5million, because we will not allow VBS Bank to proceed any longer with the transfer of your client's US\$7.5 million into his/her bank account if the outstanding US\$46889 tax is not settle/pay by your client.

Again, do not forget that it was 1% valued US\$75,000.00 that was taxed last year from your client's US\$7.5million inheritance which he/she was supposed to paid in full before receiving his /her US\$7.5million inheritance in full; but because of the fee waiver that was issued from the court last year, that is why your client's has been giving clemency and asked to US\$46, 889 instead of the full value US\$75,000. This US\$46,889 need to be settle/pay by your client's on time.

Kind regards,

Berenice Lue Marais
