General disclaimer on the Synthesised text document

This document presents the synthesised text for the application of the Agreement between the Government of the Republic of South Africa and the Government of the United Arab Emirates for the avoidance of double taxation and the prevention of fiscal evasion with respect to Taxes on Income signed on 23 November 2015 (the “Agreement”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by the Republic of South Africa on 7 June 2017 and by the United Arab Emirates on 27 June 2018 (the “MLI”).

The document was prepared on the basis of the MLI position of the Republic of South Africa submitted to the Depository upon ratification on 30 September 2022 and of the MLI position of the United Arab Emirates submitted to the Depository upon ratification on 29 May 2019. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Agreement.

The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform with the terminology used in the MLI to the terminology used in the Agreement (such as “Covered Tax Agreement” and “Convention”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement. Descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Agreement or to the Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

AGREEMENT BETWEEN THE GOVERNMENT OF THE REPUBLIC OF SOUTH AFRICA AND THE GOVERNMENT OF THE UNITED ARAB EMIRATES FOR THE AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF FISCAL EVASION WITH RESPECT TO TAXES ON INCOME

[MODIFIED by paragraph 1 and paragraph 3 of Article 6 of the MLI] [by concluding an Agreement for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income,]

The following paragraph 3 of Article 6 of the MLI is included in the Preamble of this Agreement:

ARTICLE 4

RESIDENT

1. For the purposes of this Agreement, the term “resident of a Contracting State” means:
 - (a) in South Africa, any person who, under the laws of South Africa, is liable to tax therein by reason of that person’s domicile, residence, place of management or any other criterion of a similar nature, but this term does not include any person who is liable to tax in South Africa in respect only of income from sources therein;

3. Where by reason of the provisions of paragraph 1 of this Article a person other than an individual is a resident of both Contracting States, then it shall be deemed to be a resident only of the Contracting State in which its place of effective management is situated.

ARTICLE 5

PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term “permanent establishment” means a fixed place of business through which the business of an enterprise is wholly or partly carried on.
2. The term “permanent establishment” shall include:
 - (a) a place of management;
 - (b) a branch;
 - (c) an office;
 - (d) a factory;
 - (e) a workshop;
 - (f) a mine, an oil or gas well, a quarry or any other place of exploration for or extraction of natural resources; and
 - (g) a farm or plantation.
3. The term “permanent establishment” likewise encompasses:
 - (a) a building site, a construction, assembly or installation project or any supervisory activity in connection with such site or project, but only where such site, project or activity continues for a period of more than twelve months;
 - (b) the furnishing of services, including consultancy services, by an enterprise through employees or other personnel engaged by an enterprise for such purpose, but only where activities of that nature continue (for the same or a connected project) within the Contracting State for a period or periods exceeding in the aggregate nine months in any twelve-month period commencing or ending in the fiscal year concerned;
 - (c) the performance of professional services or other activities of an independent character by an individual, but only where those services or activities continue within a Contracting State for a period or periods exceeding in the aggregate 183 days in any twelve-month period commencing or ending in the fiscal year concerned.
4. Notwithstanding the provisions of paragraphs 1 to 3 of this Article, the term “permanent establishment” shall be deemed not to include:
 - (a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
 - (b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
 - (c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;

 - (f) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs (a) to (e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

5. Notwithstanding the provisions of paragraphs 1 and 2 of this Article, where a person – other than an agent of an independent status to whom paragraph 6 of this Article applies – is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting State an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that State in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 of this Article which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

6. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

7. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

ARTICLE 6

INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other Contracting State.

2. The term “immovable property” shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources. Ships and aircraft shall not be regarded as immovable property.

3. The provisions of paragraph 1 of this Article shall apply to income derived from the direct use, letting, or use in any other form of immovable property.

4. The provisions of paragraphs 1 and 3 of this Article shall also apply to the income from immovable property of an enterprise.

ARTICLE 7

BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3 of this Article, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere.

4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 of this Article shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary. The method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

ARTICLE 8

SHIPPING AND AIR TRANSPORT

1. Profits derived by an enterprise of a Contracting State from the operation of ships or aircraft in international traffic shall be taxable only in that State.

2. For the purposes of this Article, profits from the operation of ships or aircraft in international traffic shall include:

- (a) profits from the rental on a bare boat basis of ships or aircraft; and
- (b) profits from the use, maintenance or rental of containers (including trailers and related equipment for the transport of containers) used for the transport of goods or merchandise;

where such rentals or such use, maintenance or rental, as the case may be, is incidental to the operation of ships or aircraft in international traffic.

3. For the purposes of this Article, interest on funds directly connected with the operation of ships or aircraft in international traffic shall be regarded as profits derived from the operation of such ships or aircraft, and the provisions of Article 11 of this Agreement shall not apply in relation to such interest.

4. The provisions of paragraphs 1, 2 and 3 of this Article shall also apply to profits from the participation in a pool, a joint business or an international operating agency, but only to so much of the profits so derived as is attributable to the participant in proportion to its share in the joint operation.

ARTICLE 9

ASSOCIATED ENTERPRISES

1. Where

- (a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or
- (b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. **[MODIFIED by paragraph 1 of Article 17 of the MLI]** [Where a Contracting State includes in the profits of an enterprise of that State – and taxes accordingly – profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State may make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.]

The following paragraph 1 of Article 17 of the MLI applies and supersedes the provisions of paragraph 2 of Article 9 of this Agreement:

ARTICLE 17 OF THE MLI – CORRESPONDING ADJUSTMENTS

Where a Contracting State includes in the profits of an enterprise of that Contracting State — and taxes accordingly — profits on which an enterprise of the other Contracting State has been charged to tax in that other Contracting State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Contracting State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Contracting State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.

ARTICLE 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in the other State.

2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the beneficial owner of the dividends is a resident of the other Contracting State, the tax so charged shall not exceed:

- (a) 5 per cent of the gross amount of the dividends if the beneficial owner is a company the capital of which is wholly or partly divided into shares which holds directly at least 10 per cent of the capital of the company paying the dividends;
- (b) 10 per cent of the gross amount of the dividends in all other cases.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of these limitations.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term “dividends” as used in this Article means income from shares or other rights participating in profits (not being debt-claims), as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the Contracting State of which the company making the distribution is a resident.

4. The provisions of paragraphs 1 and 2 of this Article shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident through a permanent establishment situated therein and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment situated in that other State, nor subject the company’s undistributed profits to a tax on the company’s undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

6. **[REPLACED BY paragraph 1 of Article 7 of the MLI]** [The provisions of this Article shall not apply if it was the main purpose or one of the main purposes of any person concerned with the creation or assignment of the shares or other rights in respect of which the dividend is paid to take advantage of this Article by means of that creation or assignment.]

ARTICLE 11

INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises and according to the laws of that State, but if the beneficial owner of the interest is a resident of the other Contracting State, the tax so charged shall not exceed 10 per cent of the gross amount of the interest.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this limitation.

3. The term “interest” as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor’s profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purposes of this Article.

4. The provisions of paragraph 1 of this Article shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

5. Interest shall be deemed to arise in a Contracting State when the payer is a resident of that State. Where, however, the person paying the interest, whether that person is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment, then such interest shall be deemed to arise in the State in which the permanent establishment is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

7. **[REPLACED BY paragraph 1 of Article 7 of the MLI]** [The provisions of this Article shall not apply if it was the main purpose or one of the main purposes of any person concerned with the creation or assignment of the debt-claim in respect of which the interest is paid to take advantage of this Article by means of that creation or assignment.]

ARTICLE 12

ROYALTIES

1. Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties may also be taxed in the Contracting State in which they arise, and according to the laws of that State, but if the beneficial owner of the royalties is a resident of the other Contracting State, the tax so charged shall not exceed 10 per cent of the gross amount of the royalties.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this limitation.

3. The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work (including cinematograph films and films, tapes or discs for radio or television broadcasting), any patent, trade mark, design or model, plan, secret formula or process, or for information concerning industrial, commercial or scientific experience.

4. The provisions of paragraph 1 of this Article shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise through a permanent establishment situated therein and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is a resident of that State. Where, however, the person paying the royalties, whether that person is a resident of a Contracting State or not, has in a Contracting State a permanent establishment with which the right or property in respect of which the royalties are paid is effectively connected, and such royalties are borne by such permanent establishment, then such royalties shall be deemed to arise in the State in which the permanent establishment is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds for whatever reason, the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

7. **[REPLACED BY paragraph 1 of Article 7 of the MLI]** [The provisions of this Article shall not apply if it was the main purpose or one of the main purposes of any person concerned with the creation or assignment of the rights in respect of which the royalties are paid to take advantage of this Article by means of that creation or assignment.]

ARTICLE 13

CAPITAL GAINS

1. Gains derived by a resident of a Contracting State from the alienation of immovable property, as defined in Article 6 and situated in the other Contracting State may be taxed in the other Contracting State.

2. Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State, including such gains from the alienation of such a permanent establishment (alone or together with the whole enterprise), may be taxed in that other State.

3. Gains from the alienation of ships or aircraft operated by an enterprise of a Contracting State in international traffic or movable property pertaining to the operation of such ships or aircraft, shall be taxable only in that Contracting State.

4. Gains from the alienation of any property other than that referred to in paragraphs 1 to 3 of this Article, shall be taxable only in the Contracting State of which the alienator is a resident.

ARTICLE 14

INCOME FROM EMPLOYMENT

1. Subject to the provisions of Articles 15, 17 and 18, salaries, wages and other similar remuneration derived by a resident of a Contracting State in respect of an employment shall be taxable only in that State unless the employment is exercised in the other Contracting State. If the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other State.

2. Notwithstanding the provisions of paragraph 1 of this Article, remuneration derived by a resident of a Contracting State in respect of an employment exercised in the other Contracting State shall be taxable only in the first-mentioned State if:

- (a) the recipient is present in the other State for a period or periods not exceeding in the aggregate 183 days in any twelve-month period commencing or ending in the fiscal year concerned; and
- (b) the remuneration is paid by, or on behalf of, an employer who is not a resident of the other State; and
- (c) the remuneration is not borne by a permanent establishment which the employer has in the other State.

3. Notwithstanding the preceding provisions of this Article, remuneration derived in respect of an employment exercised aboard a ship or aircraft operated in international traffic by an enterprise of a Contracting State shall be taxable only in that State.

4. An individual who is both a national of a Contracting State and an employee of an enterprise of that Contracting State the principal business of which consists of the operation of aircraft in international traffic and who derives remuneration in respect of duties performed in the other Contracting State shall be exempt from tax in that other State on remuneration derived from the employee's employment with that enterprise for a period of four years beginning with the date on which the employee first performs duties in that other State.

ARTICLE 15

DIRECTORS' FEES

Directors' fees and similar payments derived by a resident of a Contracting State in that person's capacity as a member of the board of directors of a company which is a resident of the other Contracting State may be taxed in that other State.

ARTICLE 16

ENTERTAINERS AND SPORTSPERSONS

1. Notwithstanding the provisions of Articles 7 and 14, income derived by a resident of a Contracting State as an entertainer, such as a theatre, motion picture, radio or television artiste, or a musician, or as a sportsperson, from that person's personal activities as such exercised in the other Contracting State, may be taxed in that other State.

2. Where income in respect of personal activities exercised by an entertainer or a sportsperson in that person's capacity as such accrues not to the entertainer or sportsperson but to another person, that income may, notwithstanding the provisions of Articles 7 and 14, be taxed in the Contracting State in which the activities of the entertainer or sportsperson are exercised.

3. Income derived by a resident of a Contracting State from activities exercised in the other Contracting State as envisaged in paragraphs 1 and 2 of this Article, shall be exempt from tax in that other State if the visit to that other State is supported wholly or mainly by public funds of the first-mentioned Contracting State, a political subdivision or a local authority or a local government thereof, or takes place under a cultural agreement or arrangement between the Governments of the Contracting States.

ARTICLE 17

PENSIONS AND ANNUITIES

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities. This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

3. Except where the provisions of paragraph 1 of Article 9, paragraph 5 of Article 11 or paragraph 5 of Article 12 apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State.

4. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

6. The provisions of this Article shall, notwithstanding the provisions of Article 2, apply to taxes of every kind and description.

ARTICLE 24

MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for that person in taxation not in accordance with this Agreement, that person may, besides the remedies provided by the domestic law of those Contracting States, present a case to the competent authority of the Contracting State of which the person is a resident or, if the case comes under paragraph 1 of Article 23, to that of the Contracting State of which the person is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of this Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with this Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of this Agreement. They may also consult together for the elimination of double taxation in cases not provided for in this Agreement.

ARTICLE 25

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting States, or of their political subdivisions in so far as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Articles 1 and 2.

2. Any information received under paragraph 1 by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting State the obligation:

- (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
- (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
- (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information the disclosure of which would be contrary to public policy (*ordre public*).

4. If information is requested by a Contracting State in accordance with this Article, the other Contracting State shall use its information gathering measures to obtain the requested information, even though that other State may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

2. Any claim for refund shall be lodged within the time limit fixed by the law of the Contracting State which is obliged to make the refund, and shall be accompanied by an official certificate of the Contracting State of which the taxpayer is a resident certifying the existence of the conditions required for being entitled to the application of the benefits provided for by this Agreement.

3. The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this Article, in accordance with the provisions of Article 24 of this Agreement.

ARTICLE 28

MISCELLANEOUS RULES

1. Notwithstanding the provisions of paragraph 2 of Article 10 and paragraph 2 of Article 11, dividends and interest paid by a resident of a Contracting State to the Government of the other Contracting State or political subdivision or local authority thereof shall be exempt from tax in the first-mentioned State.

- (ii) any other statutory body or institution wholly owned by the Government of the Republic of South Africa, as may be agreed from time to time between the competent authorities of the Contracting States.
