 - (ii) in the case of any person who is or was a member of a provident fund or provident preservation fund and who is or was 54 years of age or younger on 1 March 2021, the one-off amount is to be calculated proportionally [from] between that member’s [retirement interest] fund value in that provident fund or provident preservation fund on 28 February 2021 [and], including the increase in the value up to and including 31 August 2024 from that fund, and the value of contributions received on or after 1 March 2021, including any fund return on those contributions;
- (b) one-third of the total retirement contributions to a pension fund, provident fund or retirement annuity fund by or on behalf of that member on or after 1 September 2024 is allocated to this component: Provided that—
 - (i) in determining the value of the contributions to this component an amount of charges and risk premiums deductible against such contributions must not be taken into account;
 - (ii) in the case of funds with a defined benefit funding structure, the total value attributed to this component on or after 1 September 2024 is to be determined with reference to one-third of the member’s ‘pensionable service’ as contemplated in the rules of that fund on or after 1 September 2024; and
 - (iii) a fund with a defined benefit structure that is unable to allocate contributions as contemplated in subparagraph (ii) may allocate contributions utilising a reasonable method of allocation [as] approved by the Financial Sector Conduct Authority;
- (c) **payments or transfers from a similar savings component to a pension preservation fund or provident preservation fund by or on behalf of that member on or after 1 September 2024 is allocated to this component;**
- (d) any amounts transferred from a [similar] savings component of any other pension fund, pension preservation fund, provident fund, provident preservation fund or retirement annuity fund on or after 1 September 2024 are allocated to this component [if the member’s total interest in that fund is transferred in terms of the rules of the fund];
- (e) the member may elect to allocate the value of the member’s interest in this component into the member’s retirement component in that fund;
- (f) the member’s interest in this component or portion thereof may be paid in the form of a savings withdrawal benefit; [and]
