- (b) 39 per cent in 2022;
- (c) 38 per cent in 2023;
- (d) 37 per cent in 2024;
- (e) 36 per cent in 2025; and
- (f) 35 per cent in 2026

"value for VALA purposes" means the value, determined on the basis prescribed in Note 7.1, of all specified motor vehicles produced in terms of this item during four rolling quarters and ready for sale.

2. Registration

2.1 Applicants under this rebate item shall submit a letter of approval from ITAC confirming qualification for participation together with the application.

3. Submission of accounts

3.1 Registrants under this rebate item shall submit accounts in the following manner:

- (a) A quarterly account (DA 199) to the SARS customs office in which area of control the premises is registered and bring any customs duty and additional VAT to account at that office within 30 days from the closing date of the accounting period, but not later than the penultimate official working day following the period of three months during which the closing date of the account occurs.
- (b) For the purposes of this item the accounting periods shall be for four periods of three months each commencing on 1 January each year.
- (c) The registrant shall not be entitled to the deferment of additional VAT, other than the 30 days provided for in (a) above.

3.2 When the registrant becomes aware of an error in the account submitted, the registrant must amend the account as soon as reasonably possible by -

- (a) completing a form (DA 199A) for the quarter affected by the amendment;
- (b) adjusting all forms affected by the amendment;
- (c) submitting form (DA 199A), adjusted forms and payment of any customs duty and additional VAT together with an explanation of the reasons for the amendment to the SARS customs office referred to in Note 3.1(a).

4. Original equipment components imported by the registrant

4.1 The registrant shall clear all original equipment components for the manufacture of specified motor vehicles, under Chapter 98 of Schedule No. 1.

4.2 All such original equipment components shall -

- (a) on importation be cleared under procedure code "Placement of goods under the 'Processing for Home Use' procedure"; or
- (b) if cleared on importation for storage and stored in a licensed customs and excise storage warehouse, be cleared before removal for use under procedure code "Processing for Home Use" of goods, previously placed under "Warehousing" procedure; and
- (c) when cleared as contemplated in paragraphs (a) or (b), pay VAT on the value for customs duty purposes as if a "full duty" extent of rebate applies.

4.2 The value for customs duty purposes of all original equipment components shall be included in the quarter during which such components were cleared under the procedure code 'Processing for Home Use'.

5. Original equipment components supplied to the registrant

5.1 A registrant must ensure and produce proof if required that the Form C2 completed by the supplier of original equipment components correctly declares the imported component value.

- (a) The imported component value on the Form C2 completed by a SACU supplier and received by the registrant during a quarter shall be recorded in the ensuing quarter irrespective of whether it has been used in production as yet or paid for; and
- (b) The imported component value on the Form C2 shall be deducted by the registrant in the quarter when the original equipment components are –
 - (i) incorporated into original equipment components and exported;
 - (ii) used in the manufacture of specified motor vehicles and exported;
 - (iii) transferred to parts and accessories; or
 - (iv) destroyed under customs supervision.

5.2 (a) Registrants shall be liable for any customs duty and additional VAT underpaid resulting from the under declaration of the imported component value on Form C2.

- (b) If ITAC reports any amendments to Form C2, the quarterly account to which it relates must be amended as may be necessary to give effect to the amendment reported, including payment of any customs duty and additional VAT due.
- (c) If Form C2 is not obtained or duly completed, the price at which the original equipment components were purchased by the registrant shall be deemed to be the imported component value in respect of the original equipment components.
- (d) Any incorrect information supplied on Form C2 can render the whole document null and void and may result in the purchase price of all items in such document being regarded as imported component value.

6. Determination of value for duty and additional VAT

6.1 Determination of the value for the calculation of customs duty and additional VAT on original equipment components imported by the registrant:

- (a) The value for customs duty purposes of original equipment components cleared under Chapter 98 during a quarter, less the value for customs duty purposes of the original equipment components-
 - (i) in unopened containers or unit load devices, provided that the value for customs duty purposes of such components in containers or unit load devices not opened shall be carried forward as an opening balance to the ensuing quarter;
 - (ii) used in the manufacture of original equipment components and supplied to other registrants in terms of this rebate item;

- (iii) used in the manufacture of specified motor vehicles and exported;
- (iv) used in the manufacture of original equipment components and exported;
- (v) returned to the overseas suppliers;
- (vi) transferred to the parts and accessories division;
- (vii) destroyed under customs supervision.

(b) If the deductions specified in subparagraphs (i) to (vii) exceed the value for customs duty purposes of imported original equipment components the value must be reduced to nil.

(c) For the purposes of Notes 6.1(a)(iii) and (iv) registrants may carry forward any excess value for customs duty purposes of original equipment components imported and used in exports during a quarter to -

- (i) the ensuing quarter; and
- (ii) such further quarters as the Commissioner may allow in exceptional circumstances.

6.2 Determination of the value for the calculation of the customs duty and additional VAT on original equipment components received by the registrant:

(a) The imported component value of original equipment components received from any person in SACU during the previous quarter less the imported component value of original equipment components-

- (i) used in the manufacture of original equipment components and exported during the current quarter;
- (ii) used in the manufacture of specified motor vehicles and exported during the current quarter;
- (iii) transferred to the parts and accessories division during the current quarter; and
- (iv) destroyed under customs supervision during the current quarter.

(b) If the deductions specified in subparagraphs (i) to (iv) exceed the imported component value of original equipment components received the value must be reduced to nil.

(c) For the purposes of Notes 6.2(a)(i) and (ii) registrants may carry forward any excess value for customs duty purposes of original equipment components imported and used in exports during a quarter to -

- (i) the ensuing quarter; and
- (ii) such further quarters as the Commissioner may allow in exceptional circumstances.

7. Deductions

7.1 The value for VALA purposes for any quarter shall be -

- (a) in the case of specified motor vehicles manufactured for the SACU market, the recommended retail list price (including options), (exclusive of VAT, excise duty in terms of Section B of Part 2 of Schedule No. 1 and environmental levy in terms of Sections D and E in Part 3 of Schedule No. 1) applicable to such motor vehicle(s) at the time of production thereof and ready for sale; or
- (b) in the case of specified motor vehicles exported outside the SACU, the "price free on board" as contemplated in section 72 of the Act;
- (c) less in respect of each of paragraphs (a) and (b), a CSP(s) on a quarterly basis.
- (d) less all imported contents.

7.2 A registrant shall not receive or be entitled to utilise VALA for the quarter for which the account is submitted, unless a CSP has been determined by ITAC.

7.3 The VALA of specified motor vehicles shall be declared -

- (a) when designated for export, but not exported at the end of a quarter, as the recommended retail list price on form DA 199.04A for that quarter; and
- (b) when exported-
 - (i) as the "price free on board value" in the quarterly account during which the export took place on form DA199.04B; and
 - (ii) the recommended retail list price mentioned in (a) on form DA199.02.

7.4 ITAC will inform the Commissioner of any amendments to a CSP as a result of which the quarterly accounts must be amended.
