Tshwane, 04 kuNhlangulala 2025 - UKhomishana wakwa-SARS uMnu Edward Kieswetter uyaziqhenya ngokumemezela ukuqokwa kukaNksz Mary Baine njengoNobhala Omkhulu Omusha weSithangamu Sokuphathwa Kwentela e-Afrika i-Tax Administration Forum, kusukela mhla lu-1 kuNtulikazi 2025. UNksz. Baine uthatha isikhundla sikaMnu Logan Wort, osebenze njengoNobhala Omkhulu we-ATAF kusukela yasungulwa kowezi-2009.

UNksz Baine uza nesipiliyoni esiningi sobuholi nokuzibophezela okujulile ekuthuthukiseni izinhlelo zentela ezilungile, eziphumelelayo, nezibandakanya wonke umuntu ezwenikazi lase-Afrika. Ngaphambi kwalokhu kuqokwa, wasebenza njengePhini likaNobhala Omkhulu we-ATAF, lapho aholo khona ukuhlelwa kwamasu enhlangano, ukubambisana kwamazwe omhlaba, kanye nemizamo yamazwe amaningi ase-Afrika ngempumelelo. Ngaphambi kokujoyina i-ATAF, uNksz Baine ubambe izindima eziphezulu kuhulumeni waseRwanda, kufaka phakathi eyokuba uKhomishana Jikelele we-Rwanda Revenue Authority kanye noNobhala Ongenakuguqulwa eMnyangweni Wezindaba Zangaphandle. Umsebenzi wakhe omangalisayo uye wachazwa yintshisekelo yakhe yentuthuko eholwa yi-Afrika kanye nemizamo yakhe engakhathali yokuqinisa ukuhlanganiswa kwemithombo yasekhaya njengesisekelo sokukhula okusimeme.

Ekumemezeleni ukuqokwa kwakhe, uSihlalo we-ATAF uMnuz Edward Kieswetter uthethe: "Ukuqokwa kukaNksz Baine kuphawula isahluko esisha nesithokozisayo ohambweni lwe-ATAF. Ubungoti bakhe obubanzi, ubuholi abukhombisile, nokuzinikela kwakhe okungaguquki emsebenzini weSithangamu yikho okumbeke ethubeni lokuhola i-ATAF esigabeni esilandelayo sohambo lwayo."

U-SARS udlale indima ephambili njengelinye lamalungu asungula i-ATAF, ikomkhulu lawo elisePitoli. Le ndima ibonakala kunhlososuka yakwa-SARS wokusebenzisana nokusebenza ngababambiqhaza kuhlelokusebenza lwentela ukuze kusizakale bonke abantu. Okubaluleke kakhulu, umsebenzi weziphathimandla zemali eqoqwayo yase-Afrika hhayi nje kuphela ukuqinisa ubumbano kodwa futhi nokwakha ubudlelwane obusondelene bokusebenza kanye nokuzuzisa ngokuhlanganyela kuvumelana nombono wakwa-SARS.

I-ATAF ibonakala njengenethiwekhi yase-Afrika evelele ehlose ukuthuthukisa izinhlelo zentela e-Afrika ngokwabelana ngolwazi, ukuthuthukiswa kwamakhono kanye negalelo elibonakalayo ku-ajenda yentela yesifunda neyomhlaba wonke ngokuthuthukiswa kwezinqubomgomo kanye nezikhundla ze-Afrika ezinolwazi futhi ezigxile. Ukuzama ukwakha ukuphathwa kwentela okusebenzayo futhi okuphumelelayo e-Afrika, i-ATAF izibeke njengomholi ezindabeni zentela zase-Afrika, ngaleyo ndlela isekela intuthuko ekuthuthukisweni komnotho ezwenikazi kanye nokuthuthukisa amazinga okuphila kwabantu base-Afrika.

NjengoNobhala Omkhulu omusha, uNksz Baine uzoqhubeka nokugqoguzela futhi ahole isiqondiso senhlososuka le-ATAF, alwele izintshisekelo zamalungu ayo angama-44 kanye nezwekazi lase-Afrika, futhi asekele i-ajenda yentuthuko eshintshashintshayo e-Afrika.

I-ATAF izwakalisa ukubonga kwayo okukhulu kuMnu Logan Wort ngobuholi bakhe obuvelele eminyakeni engu-15 edlule. Ngaphansi kobuholi bakhe, i-ATAF yakhula yaba yisikhungo esihlonishwayo sezwekazi, idlala indima ebalulekile ekwakheni inqubomgomo yentela,

ukuthuthukisa ikhono, nokukhuthaza ukubambisana kwezentela kumazwe omhlaba emazweni ase-Afrika.

Emazwini akhe okuphetha, uSihlalo we-ATAF uthe, "UMnu Wort ushiya ifa lobuqabavu, ubuqotho, nokuba nomthelela omuhle. Njengoba samukela uNksz. Baine kule ndima entsha, sibheke ekwakheni phezu kwalesi sisekelo esiqinile kanye nokusheshisa inqubekela phambili eya ku-Afrika elinganayo futhi echumayo.
