

Isitatimende sazezindaba sakwaSARS mayelana nesinqumo seNkantolo yoMthethosisekelo

Tshwane, 15 April 2024 - UPhiko Lwemalingeniso Eqoqwayo lwaseNingizimu Afrika (i-SARS) lufisa ukuphawula kafushane ngesinqumo seNkantolo yoMthethosisekelo esikhishwe mhla ziye-12 kuMbaso 2024 odabeni oluphakathi kwebhange i-Capitec Bank Limited libhekene noSARS.

Njengenjwayelo, uSARS uyayemukela ingcaciso nesiqinisekiso esihlinzekwa yizinkantolo, njengoba lokhu kuhambisana nenhlososho yethu yokuthobela ngokuzithandela.

USARS ufisa ukugcizelela ukuthi lesi sinqumo sihlukile futhi siqondene nezimo ezithile kulo mkhokhintela kanye nethransekushini ethile eyenziwe. kusemqoka ukuqaphela ukuthi ekuqaleni u-Capitec ufune ukubamba sonke isamba sika-R 71 million njengesicelo sokukhokhelwa, kodwa inkantolo ikuqaphelile "Ukuthi ibahlulile lempi".

NjengoSARS, sidle umhlanganiso eNkantolo Enkulu Yokudluliswa Kwamacala, obekumele ikhiphe isabelo esisukela ku-8% kuya ku-10%, izindleko zomthetho aziwelanga kwaSARS. Kodwa-ke, iNkantolo yoMthethosisekelo ithole ukuthi izimali zokuvula ifayela nezokusebenza zenze insali okuyiyo ekhokhele ezinye izindleko zokubolekisa, nokuthi ukwabiwa bekufanele. Nokho, iNkantolo yoMthethosisekelo ikuqaphelile ukuthi uMthetho weNtela Yentengo "awuhlinzekeli ngokusobala ngokwabelana kulesi simo" ngalokho-ke ibe isuyalela uSARS ukuba ucabange ngokusebenzisa indlela yokwaba. Impumelelo kaSARS eNkantolo Enkulu Yokudluliswa Kwamacala ayikashintshi, izindleko zezomthetho ku-SCA aziwelanga kuSARS.

USARS no-Capitec manje sekulindeleke ukuba baxoxisane ukuze bathole indlela efanele yokwaba.
