TENDER NAME: THE APPOINTMENT OF A SERVICE PROVIDER FOR THE PROVISION OF THE RED HAT LINUX AND RED HAT OPENSIFT SUBSCRIPTIONS FOR PERIOD OF THREE (3) YEARS FROM 01 OCTOBER 2025 - 30 SEPTEMBER 2028

QUESTION/S	ANSWER
Will SARS procure the full 3-year subscription upfront and pay annually or will the subscription be purchased annually?	The subscription will be billed on an annual basis.
<p>The bid document is clear on all the documents to submit but I wanted to find out exactly what you'd like to see in the proposal. A separate document perhaps, speaking on the additional support services we could supply SARS along with the licenses?</p> <p>The request is for licenses, so I just wanted to find out what I should focus on with the proposal. Please do excuse me if the question is daft or obvious but your response would be greatly appreciated.</p>	SARS requires the subscriptions, including the maintenance and support. No additional services are required.
