#### 7.6 Financial analysis

7.6.1 SARS may conduct a financial analysis on the bidders.

7.6.2 The bidders are required to submit the public interest score (PIS) and complete sets of audited / independently reviewed annual financial statements in compliance with the Companies Act, for the three (3) most recent financial periods in the name of the bidding entity. The annual financial statements must contain:

7.6.2.1 A statement of profit and loss and other comprehensive income;

7.6.2.2 A statement of financial position;

  - 7.6.3.2 The annual financial statements that the entity can provide, considering the period that it has been trading; and
  - 7.6.3.3 Any other information or documentation which would provide more clarity on the financial history of a bidder.
- 7.6.4 SARS reserves the right to request further information regarding the annual financial statements of a bidder at a later stage to demonstrate the potential bidder's financial capability. These will include, but not limited to:
- 7.6.4.1 Holding companies / Parents company accounts;
  - 7.6.4.2 Management Accounts;

- 7.6.5 In the event of a subsidiary being the bidding entity and it submits the holding company's financial statements for financial analysis purposes, the holding company must furnish a Performance Guarantee that is signed by a Financial Service Provider (Guarantor) of the holding company, stating that the Guarantor will undertake to cover any or all risks associated with a bidder, in the event the bidder is awarded the RFP.
- 7.6.6 If the proposal is submitted by an *incorporated* joint venture, the *incorporated* joint venture is required to submit annual financial statements of the joint venture. If the proposal is submitted by an *unincorporated* joint venture arrangement, the *unincorporated* joint venture is required to submit annual financial statements of each of the parties to the arrangement.
- 7.6.7 SARS reserves the right to request a financial guarantee from the recommended bidder(s) prior to award. The financial guarantee will be based on 10% of the bidders tender submission value.
- 7.7 Bidders' due diligence and risk assessment prior to award**
- 7.7.1 SARS has a moral obligation to ensure that a supplier's financial position does not place public money or services at unacceptable risks.
- 7.7.2 Utilising the Annual Financial Statements as part of assessing contract limit size
- 7.7.2.1 Where SARS has requested the financial statements as part of the prequalification or mandatory requirements, these are based on assessing the financial capability and assessing a contract limit size considered "safe" to award to a potential bidder.
  - 7.7.2.2 SARS will engage the bidder to demonstrate any further evidence of financial risk, capacity, or capability mitigations to assist in encouraging new business and in the spirit of encouraging supplier growth.
- 7.7.3 SARS reserves the right to, amongst others:
- 7.7.3.1 conduct a risk assessment of a bidder's capability to deliver the goods and perform the services in accordance with the specified service levels and/or achieve SARS' objectives;
  - 7.7.3.2 request additional information, clarification or verification in respect of any information contained in or omitted from a bidder's proposal, which SARS may do either in writing or

at a meeting convened with the bidder for that purpose;

- 7.7.3.3 conduct a due diligence on any bidder or its subcontractor, which may include interviewing customer references or performing other activities to verify information and capabilities submitted, claimed, or otherwise, (including visiting a bidder's, subcontractors, or customer reference premises, sites and/or facilities to verify certain stated facts or assumptions). The bidder will be obliged to grant SARS with all such access, assistance and/or information as SARS may reasonably request. The bidder must respond within the timeframes set by SARS, failing which SARS reserves the right not to consider the bidder's proposal any further; and/or
- 7.7.3.4 request presentations from such short-listed bidders. All costs relating to the preparation of such presentations will be borne by the bidders.

## 7.8 Proposed agreement

- 7.8.1 Any award made to a bidder under this RFP is conditional, amongst other provisions, upon SARS and such bidder concluding a written agreement within the time frame stipulated in the letter of award.
- 7.8.2 Upon award, SARS and the successful bidder will conclude an agreement regulating the specific terms and conditions applicable to the goods and services being procured by SARS. In this regard:
  - 7.8.2.1 SARS will enter into negotiations with the bidder with a view to concluding the agreement.
  - 7.8.2.2 SARS will be entitled to cease negotiating with a bidder and negotiate with another bidder if SARS, in its sole discretion, is of the opinion that: (i) the bidder has made misrepresentations in its proposal; (ii) the bidder is attempting to withdraw from positions or commitments made in its proposal; (iii) the bidder is not negotiating in good faith; or (iv) an agreement may not be expeditiously concluded with the bidder for any other reason.
  - 7.8.2.3 SARS reserves the right to vary the terms and conditions of the proposed agreement during the course of negotiations with a bidder at SARS' sole discretion.
- 7.8.3 A bidder should note that the terms of its proposal will be incorporated in the proposed agreement by reference and that SARS relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder. It follows therefore that any misrepresentations in a proposal may result in legal action or other processes by SARS against the bidder, notwithstanding the conclusion of an agreement between SARS and the bidder for the provision of the goods and services in question. In the event of a conflict between the bidder's proposal and the agreement concluded between the parties, the agreement will prevail.
- 7.8.4 If the successful bidder fails to sign the proposed agreement within twenty-one (21) days, or as requested by SARS, calling upon it in writing to do so, SARS reserves the right to:
  - 7.8.4.1 cancel the award to the successful bidder;
  - 7.8.4.2 enter into negotiations with reserve bidder(s) and conclude the proposed agreement with such reserve bidder(s); or
  - 7.8.4.3 take any other action SARS deems reasonable and appropriate.

The agreement must also clearly identify the Lead Partner, who shall be given the power of attorney to bind the other party(ies) in respect of matters pertaining to the joint venture.
- 8.1.2.6 If a bidder is submitting a proposal in the form of an *unincorporated* joint venture, the SBD 4 Bidder's disclosure form should be completed by each party participating in the joint venture agreement, and proof of CSD registration should be submitted for all parties participating in the joint venture for this RFP.

8.1.3.4 Without diminishing the bidder's accountability in any way for the delivery of the services, including the performance standards, SARS may require: access to and transparency in the subcontracting agreements; the full details of the functions which the subcontractor will fulfil in terms of the agreement including details of the delimitations of scope within the services to be assigned to such a subcontractor; monitoring and reporting of subcontractor's participation and performance to SARS; direct participation of subcontractor(s) in the account and project planning activities; and subcontractors' representation in account governance structures and committees.
