7.5 Utilisation of the Panel

- 7.5.1 The appointment of bidders/panellists to the panel is on a non-exclusive basis. SARS does not guarantee that the panellists will receive work during their appointment term.
- 7.5.2 As and when required, SARS will invite panellists to supply the equipment and consumables set forth in **Annexure A** hereto, via a Request for Quotations (RFX)
- 7.5.3 The RFX will, at a minimum, specify the equipment and/or consumables required, the quantity and the delivery address.
- 7.5.4 At the RFX stage pricing and specific goals evaluation will be conducted in line with the requirements of the Preferential Procurement Policy Framework Act, 2000, and its Regulations and SARS Preferential Procurement Policy.

7.6 Financial risk analysis

- 7.6.1 There will be no financial analysis for this tender. SARS may conduct financial analysis as and when required during the utilisation of the panel.

7.7 Recommended bidders' due diligence and risk assessment prior to award

- 7.7.1 SARS has a legal and moral obligation to ensure that a supplier's financial position does not place public money or services at unacceptable risks and will therefore perform due diligence and risk assessment of recommended bidder(s) prior to award.
- 7.7.2 As part of due diligence and risk assessment, the bidder must ensure that the bidder is complying to all regulatory prescripts, including industry regulations specific to the commodity/services procuring, that are applicable to this tender, as well as ethical business practices. SARS has the right to request

evidence of this compliance from the bidder, and third parties, for purposes of the due diligence exercise and for audit or contracting arrangements.

- 7.7.3 In the event that a due diligence exercise reveals that a recommended bidder does not comply with SARS' risk appetite or compliance requirements then SARS has the right not to make an award to the recommended bidder.
- 7.7.4 The recommended bidder(s) will be required to consent in the agreement to continuous and in-depth due diligence to ensure ethical business practices throughout the term of the tender.

7.8 Proposed legal agreement

- 7.8.1 Any award made to a bidder under this RFP is conditional, amongst other provisions, upon SARS and such bidder concluding a written agreement within a specified number of days as will be detailed a letter of award. The timely finalisation of such an agreement will be an absolute pre-condition to the recommended bidder(s) being awarded the tender and providing the goods or services to SARS.
- 7.8.2 If the recommended bidder(s) fails to sign the proposed agreement within the time frame stipulated, SARS reserves the right to:
 - 7.8.2.1 cancel the award to the recommended bidder;
 - 7.8.2.2 enter into negotiations with the second ranked bidder(s) and conclude the proposed agreement with such second ranked bidder(s); or
 - 7.8.2.3 take any other action SARS deems reasonable and appropriate.
- 7.8.3 Bidders are requested to-
 - 7.8.3.1 Comment on the terms and conditions set out in the draft agreement and where necessary, propose required changes to such terms and conditions.
 - 7.8.3.2 Each comment and/or amendment must be explained.
 - 7.8.3.3 All changes and/or amendments to the agreement must be in an easily identifiable colour font and tracked for ease of reference.
- 7.8.4 Upon award, SARS and the successful bidder will conclude the agreement which regulates the specific terms and conditions applicable to the goods and services being procured by SARS. In this regard:
 - 7.8.4.1 SARS will enter into negotiations with the bidder with a view to concluding the agreement.
 - 7.8.4.2 SARS will be entitled to cease negotiating with a bidder if SARS, in its sole discretion, is of the opinion that: (i) the bidder has made misrepresentations in its proposal; (ii) the bidder is attempting to withdraw from positions or commitments made in its proposal; (iii) the bidder is not negotiating in good faith; or (iv) an agreement may not be expeditiously concluded with the bidder for any other reason.
 - 7.8.4.3 SARS reserves the right to vary the terms and conditions of the proposed agreement during the course of negotiations with a bidder at SARS' sole discretion.
 - 7.8.4.4 SARS reserves the right to accept or reject any or all amendments or additions proposed by the successful bidder if such amendments or additions are unacceptable to SARS or pose a risk to the organisation.

- 7.8.5 A bidder should note that the terms of its proposal will be incorporated in the proposed agreement by reference and that SARS relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder. It follows therefore that any misrepresentations in a proposal may result in legal action or other processes by SARS against the bidder, notwithstanding the conclusion of an agreement between SARS and the bidder for the provision of the goods and services in question. In the event of a conflict between the bidder's proposal and the agreement concluded between the parties, the agreement will prevail.

7.9 Performance Standards

- 7.9.1 SARS may prescribe certain performance standards (Service Levels) that a successful bidder must comply with in the performance of the services.
- 7.9.2 Failure to adhere to the Service Levels will result in SARS levying a financial penalty for the Service Level Failure.
- 7.9.3 Multiple Service Level Failures with the SARS' prescribed Service Levels will constitute a material breach of the Service Level Agreement.
- 7.9.4 Notwithstanding the implementation of the Service Levels and Financial Penalties, SARS reserves the right and without derogation to any other remedies it may have in law, to terminate the Service Level Agreement for breach (persistent non-compliance) by the successful bidder.
