

RFP 09- 2024- Appointment of Service providers for integrated Pest control
 Management services for a period of sixty (60) months

Question	Answer
<p>1.1 <u>Financial Statements under a different name</u></p> <p>Good day,</p> <p>Re: The appointment of Service Provider/s for Integrated Pest Control Management Services for a period of Sixty (60) Months for SARS offices nationwide.</p> <p>Please note the entity has been trading under a new name and company since 2024, therefore there isn't any AFS available to supply with this RFP.</p>	<p>Bidders can submit the AFS under the old name and company. In addition provide us with the supporting documents backing up/and providing more clarity on the change including the letter detailing the facts. The letter must be signed by the fully authorised personnel of the entity, on the company letterhead.</p>

<p>1.2 <u>Reference letters in different name</u></p> <p>References and previous experience of pest management services are available in the name of the old entity.</p> <p>Kindly advice if this will be considered for this RFP.</p>	<p>Bidders can submit the reference letters under the old name and company for SARS consideration. In addition, the CIPC documents detailing the change in name/trading name and all other supporting documents backing up/and providing more clarity on the change including the letter detailing the facts. The letter must be signed by the fully authorised personnel of the entity, on the company letterhead.</p>
<p>1.3 <u>Car Hire</u></p> <p>Good day.</p> <p>Kindly advise if we attach letter from car hire that we are using because we do not lease but hire as we have task?</p>	<p>Bidders should submit proof in line with the requirements in the Main RFP document technical evaluation criteria page 15 of 33 element 2.4 as follows:</p> <p>Bidders must provide the following:</p> <p>a) Proof of ownership of at least four (4) vehicles registered in the bidder's name. Bidder to provide the car registration documents as proof of ownership or a copy of a valid lease agreement of at least four (4) leased vehicles:</p>

	<p>(One point per vehicle, none submission of any of the requirements will result in zero points)</p>
<p>1.4 <u>Office footprint per cluster</u></p>	<p>Bidders are advised that any office footprint in a cluster will be sufficient to score points for technical evaluation element number 2.2 as follows:</p> <p>Company Infrastructure and Operational Procedures Bidders must provide Office footprint in clusters/s that the bidder is bidding for:</p> <p>i</p> <p>A municipal rates and taxes invoice (not more than three (3) months old) / utility bill not more than three (3) months old; or provide a valid lease agreement signed by both the bidder and the landlord of the premises.</p> <p>0.5 point per proof of office print per region.</p> <p>Therefore, proof of office footprint per cluster and not a region within a cluster.</p>
