3.1 Introduction

SARS's mandate under the South African Revenue Service Act 34 of 1997 includes the collection of all revenues that are due, ensuring maximum compliance with revenue legislation and providing a customs service that will maximise revenue collection, facilitate trade and protect the borders of South Africa. SARS's vision is to be an innovative revenue and customs agency that enhances economic growth and social development and supports South Africa's integration into the global economy in a way that benefits all citizens. SARS strives to exercise its mandate in an efficient and cost effective manner.

3.2 Overview of SARS's Requirements

Details of the required services are contained in the Technical Bid Specification document.

4 SARS'S APPROACH TO THIS RFP

4.1 Objectives

SARS's primary objective in issuing this RFP is to conclude one or more service agreements with successful Bidders that will achieve the following:

- 4.1.1 best value for money;
- 4.1.2 the sustainable supply of Services; and
- 4.1.3 the meeting of SARS's current requirements (at a minimum) and providing for flexibility to meet SARS's future needs related to the scope.

5 BIDDING QUALIFICATION

5.1 Introduction

SARS has a detailed evaluation methodology premised on Treasury Regulation 16A3 of the Public Finance Management Act 1 of 1999, which prescribes that SARS's procurement processes be:

- 5.1.1 economical, efficient, fair, equitable, transparent, competitive and cost effective;
- 5.1.2 consistent with the Preferential Procurement Policy Framework Act 5 of 2000, read together with the Preferential Procurement Regulations, 2011; and
- 5.1.3 consistent with the Broad-Based Black Economic Empowerment Act 53 of 2003.

In furtherance of this evaluation methodology, the following bidding qualifications set out further in this paragraph 5 will apply.

5.2 Bidding Qualification

- 5.2.1 Prospective Bidders who cannot, or do not, satisfy all of the conditions contained in paragraphs 5.2.1.1 to 5.2.1.3 should not submit bid proposals. If a Bidder is found not to meet any one of the requirements listed in paragraphs 5.2.1.1 to 5.2.1.3 then that Bidder's Tender will be rejected without any further consideration, at SARS's sole discretion.
- 5.2.1.1 SARS is only interested in organisations that take accountability for service delivery. To avoid issues encountered where a single entity cannot provide the warranties of performance required or be held accountable for performance, SARS will not consider Tenders submitted by a consortium or a special purpose vehicle constituted only for the purpose of responding to this RFP.
- 5.2.1.2 A Bidder must be a South African entity (Company, Close Corporation, Sole Proprietor or individual) or have a local branch office in South Africa.
- 5.2.1.3 The Bidder must be fully tax compliant and must submit a valid and original Tax Clearance Certificate as part of its Tender. The Bidder's attention is further drawn to the requirement that the successful Bidder must ensure that it remains compliant with all South African Tax and Customs laws and regulations throughout the Term, and a failure to do so will be a material breach of the Agreement.
- 5.2.1.4 The Bidder must comply with all applicable legislation in the Republic of South Africa in the performance of its daily activities, including but not limited to labour legislation and bargaining council agreements, health and safety regulations and environmental laws.

5.2.2 Subject to sub-paragraph 5.2.3 below, SARS will disqualify any Bidder who either itself or any of whose members (save for such members who hold a minority interest in the Bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15% interest in the Bidder other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of SARS or any other government organ or entity and whether from the Republic of South Africa or otherwise ("Government Entity"):

- 5.2.2.1 engages in any collusive tendering, anti-competitive conduct, or any other similar conduct, including but not limited to any collusion with any other Bidder in respect of the subject matter of this RFP;
- 5.2.2.2 seeks any assistance, other than assistance officially provided by a Government Entity, from any employee, advisor or other representative of a Government Entity in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- 5.2.2.3 makes or offers any gift, gratuity, anything of value or other inducement, whether lawful or unlawful, to any of SARS's officers, directors, employees, advisors or other representatives;
- 5.2.2.4 makes or offers any gift, gratuity, anything of any value or other inducement, to any Government Entity's officers, directors, employees, advisors or other representatives in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- 5.2.2.5 accepts anything of value or an inducement that would or may provide financial gain, advantage or benefit in relation to procurement or services provided or to be provided to a

Government Entity;

- 5.2.2.6 pays or agrees to pay to any person any fee, commission, percentage, brokerage fee, gift or any other consideration, that is contingent upon or results from, the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to a Government Entity;
 - 5.2.2.7 has in the past engaged in any matter referred to in sub-paragraphs 5.2.2.1 to 5.2.2.6 foregoing; or
 - 5.2.2.8 has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether or not a prison term was imposed and despite such Bidder, member or director's name not specifically appearing on the List of Tender Defaulters kept at National Treasury.
- 5.2.3 SARS in its sole discretion will be entitled (but not obliged) to exempt, in writing, a Bidder from disqualification in terms of sub-paragraph 5.2.2.7 foregoing. A Bidder that stands to be disqualified in term of sub-paragraph 5.2.2.7 foregoing may, prior to submitting a Tender, approach SARS in writing for an exemption as foresaid, in which event:
- 5.2.3.1 the Bidder is required to provide SARS with full information to enable SARS to consider such application for exemption; and
 - 5.2.3.2 SARS will not be obliged to consider any such application or to grant any exemption, such consideration or granting of exemption being solely within SARS's discretion.
- 5.2.4 By submitting a Tender the Bidder represents to SARS that it does not stand to be disqualified in terms of paragraph 5.2.1 foregoing, unless it has otherwise applied for exemption or been exempted in terms of paragraph 5.2.3 foregoing.

5.2.5 SARS will reject a Bidder's Tender without any further consideration where that Bidder makes culpable misrepresentation to SARS in its Tender or at any stage during this RFP process.

5.2.6 SARS may disqualify a Bidder:

5.2.6.1 whose Tender contains a negligent misrepresentation which is materially incorrect or misleading;

5.2.6.2 in respect of whom any of the members (save for such members who hold a minority interest in the Bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15% interest in the Bidder other than through shares listed on a recognised stock exchange), directors or members of senior management are not in full compliance with all applicable laws relating to taxation in South Africa, in which regard SARS further reserves the right to require the Bidder to submit a valid tax clearance certificate in respect of any one or more such persons;

5.2.6.3 whom SARS considers to be directly or indirectly owned, controlled or managed by persons who are not acceptable to SARS from an ethical, business or governance perspective;

5.2.6.4 who had access to any of SARS's proprietary information or any other matter that may have unfairly placed that Bidder in a preferential position in relation to any of the other Bidders;

5.2.6.5 who materially fails to comply with any conditions or requirements of this RFP;

5.2.6.6 who in SARS's opinion has either materially failed to comply with any of the conditions of any existing or past agreement between such Bidder and SARS or who has performed unsatisfactorily under any such agreement; or
