RFI04/2025 The Implementation of Integrated Governance, Risk and Compliance (GRC) Solution

Questions & Answers #3

#	Questions	Answers
1	How many users are there required to utilise the GRC solution? Can we have a breakdown by team?	Refer to Question and Answers #1 on SARS website.
2	Is on-premise or cloud hosting the preference for SARS?	Refer to Question and Answers #1 on SARS website.
3	How long should the proposal remain valid?	180 days (6 months) after the closing date.
4	During the meeting we did not get a clear response on **how many users exactly are going to use the system.**	Refer to Question and Answers #1 on SARS website.
