- 7.6.8 SARS reserves the right to request a financial guarantee from the recommended bidder(s) prior to award, based on the financial risk evaluation outcome.
- 7.7 Recommended bidders' due diligence and risk assessment prior to award**
- 7.7.1 SARS has a legal and moral obligation to ensure that a supplier's financial position does not place public money or services at unacceptable risks and will therefore perform due diligence and risk assessment of recommended bidder(s) prior to award.
- 7.7.2 As part of due diligence and risk assessment, the bidder must ensure that the bidder is complying to all regulatory prescripts, including industry regulations specific to the commodity/services procuring, that are applicable to this tender, as well as ethical business practices. SARS has the right to request evidence of this compliance from the bidder, and third parties, for purposes of the due diligence exercise and for audit or contracting arrangements.
- 7.7.3 In the event that a due diligence exercise reveals that a recommended bidder does not comply with SARS' risk appetite or compliance requirements then SARS has the right not to make an award to the recommended bidder.
- 7.7.4 The recommended bidder(s) will be required to consent in the agreement to continuous and in-depth due diligence to ensure ethical business practices throughout the term of the tender.
- 7.8 Proposed legal agreement**
- 7.8.1 Any award made to a bidder under this RFP is conditional, amongst other provisions, upon SARS and such bidder concluding a written agreement within twenty-one (21) working days of the bidder receiving the written agreement. The timeous finalisation of such an agreement will be an absolute pre-condition to the recommended bidder(s) being awarded the tender and providing the goods or services to SARS.
- 7.8.2 If the recommended bidder(s) fails to sign the proposed agreement within the time frame stipulated, SARS reserves the right to:

7.8.4 Upon award, SARS and the successful bidder will conclude the agreement which regulates the specific terms and conditions applicable to the goods and services being procured by SARS. In this regard:

7.8.4.1 SARS will enter into negotiations with the bidder with a view to concluding the agreement.

7.8.4.2 SARS will be entitled to cease negotiating with a bidder if SARS, in its sole discretion, is of the opinion that: (i) the bidder has made misrepresentations in its proposal; (ii) the bidder is attempting to withdraw from positions or commitments made in its proposal; (iii) the bidder is not negotiating in good faith; or (iv) an agreement may not be expeditiously concluded with the bidder for any other reason.

7.8.5 A bidder should note that the terms of its proposal will be incorporated in the proposed agreement by reference and that SARS relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder. It follows therefore that any misrepresentations in a proposal may result in legal action or other processes by SARS against the bidder, notwithstanding the conclusion of an agreement between SARS and the bidder for the provision of the goods and services in question. In the event of a conflict between the bidder's proposal and the agreement concluded between the parties, the agreement will prevail.

## **7.9 Performance Standards**

7.9.1 SARS may prescribe certain performance standards (Service Levels) that a successful bidder must comply with in the performance of the services.

7.9.2 Failure to adhere to the Service Levels will result in SARS levying a financial penalty for the Service Level Failure.

7.9.3 Multiple Service Level Failures with the SARS' prescribed Service Levels will constitute a material breach of the Service Level Agreement.

7.9.4 Notwithstanding the implementation of the Service Levels and Financial Penalties, SARS reserves the right and without derogation to any other remedies it may have in law, to terminate the Service Level Agreement for breach (persistent non-compliance) by the successful bidder.

  - 8.1.3.2 a bidder awarded a contract, may only enter into a subcontracting arrangement with the approval of SARS;
  - 8.1.3.3 the agreement will be concluded between the main contractor(s) and SARS, therefore, the main contractor(s) and not its/their subcontractor(s) will be held liable for performance in terms of its contractual obligations;
  - 8.1.3.4 the successful bidder must, at all times, be solely and entirely accountable to SARS for the performance of its contractual obligations in terms of the agreement; and
