Our apologies for the poor quality. Below is a print screen of a short video being circulated via WhatsApp.

It's a fraudelent email pretending to be from SARS, the fake from email address is 'SARS<re-fund@sars.gov.za>'.

The email has an fraudelent link called 'Returns SARS' attached. If you click on the link and enter the details requested, the scammers are withdrwaing money out of your bank account.

The scam is in fact an old scam as the email is dated 2018 but it came to our attention that is being forwarded again:
