angobeli@sars.gov.za has
shared [full & comprehensive sars statements.pdf](#)

On behalf of SARS Debt Management

Open

According to the records of the South African Revenue Service (SARS), you have an outstanding balance. SARS has instituted debt recovery procedures and intends to institute criminal procedures with specific reference to outstanding ASSESSED TAX debt.

To avoid further proceedings being taken you are advised to make payment of the full outstanding tax debt within 5 business days of the date of this notice. Further legal proceedings may include, but not limited to, a Civil judgment and thereafter a writ of execution being issued.

As such and where applicable, personally liability proceedings may be initiated against the relevant person(s) in terms of the provisions of section 155 and section 157 of the TA Act for any amount of tax due but not paid to SARS, inclusive of penalties.

Should you have any queries or wish to arrange payment of the outstanding debt please contact the writer.
Full and comprehensive statements may be obtained above herein.

Should a signed and approved payment arrangement exist, kindly ignore this email.
