Dear Customs and Excise Clients

Excise Fuel Registrations

From 3 February 2026, please complete and submit the DA185 form to apply for or renew your permission to participate in these activities:

1. To possess, control, or use goods consisting of a mixture which includes marked goods as provided for in section 37A(9) and rule 37A.12.
2. Supply of aviation kerosene or aviation spirit (rebate items 460.05 / 496.00 or 623.11 / 671.01) as provided for in section 37A(9) and rule 37A.13.
3. Producing goods not capable for use in any engine as provided for in section 37A(4) and rule 37A.11.

Submit the completed DA185 form, together with the applicable annexures, at the nearest SARS branch office, to which the applicant's business premises will be registered.

Sincerely
