Dear Valued Trader

UPDATE ON THE MODERNISATION OF THE DIESEL REFUNDS SYSTEM

Following the earlier communication dated 12 December 2025 (reference number 7/6/1/1/2/PQ/DRS/2025/Dec-1), SARS informs stakeholders that the new Diesel Refund Registration System will open later than initially communicated. Although good progress has been made in developing the modernised system, additional time is required to pilot and test the system to ensure it is stable, secure, and functional.

SARS remains committed to delivering a reliable and efficient digital platform that will improve service delivery, compliance, and user experience.

As part of the commitment to provide clarity and certainty to stakeholders and traders, SARS will continue engaging, sharing information and providing updates about the Diesel Registration Refunds system through letters and other SARS platforms.

We appreciate your patience and co-operation as we work toward a successful implementation.

Yours Sincerely

A handwritten signature in black ink, appearing to be 'Anand Khelawon', written over a horizontal line.
