Dear Customs client

TEMPORARY CLOSURE OF GROBLERSBRIDGE BORDER POST

The Groblersbridge border post (on the Botswana border) has been closed since Monday 8 February 2021 due to flooding, which has affected port infrastructure. It is expected that the port will be closed for a few weeks in order to repair structural damage in the area.

Traders are asked to use alternative ports e.g. Skilpadshek/Pioneer, Ramatlabama, Kopfontein/Tlokweng.

Please keep checking the following website for updates on border closures:

Sincerely
