Dear Customs client

NEW DATE FOR INTRODUCTION OF AUTOMATED PART-SHIPMENT MANAGEMENT AT LAND BORDER POSTS

The planned implementation of phase 2 of the RCG project involving the movement of part-shipment goods across land borders will now take place on the weekend of 25 January 2019.

The planned implementation, which was earmarked for 7 December 2018, was postponed due to the busy festive season period.

We trust that the additional time has given bureaus and clearing agents the chance to fully inform their clients relating to the reporting arrangements surrounding part-shipments.

Details of the system downtime relating to the release next week will be communicated closer to the time.

Sincerely

OLEBOGENG RAMATLHODI
