

RFP 37-2015 Permanent Generators-Question and Answers

Schedule 1

	Question	Answer
1	I note that the specifications specify “containerised” generators, does this mean ISO shipping containers or standard type fully enclosed soundproof generator enclosures? Please confirm.	Standard type fully enclosed soundproof generator enclosures.
2	We have collected the discs for the abovementioned tender, however there is no disc or specifications for Uppington, can you please confirm these ASAP.	Uppington has been removed.
