

## RFP 51/2015

### Appointment of a suitably qualified 3 EB or higher electrical contractor for electrical compliance upgrade at Lehae la SARS

#### RESPONSE TO QUESTIONS, QUERIES AND CLARIFICATIONS

**QUESTION:** As electrical contractors who are registered with the Construction Industries Development Board (CIDB), I am of the understanding that we are belong to the Construction Sector and as such should be accredited according to the Construction Sector Scorecard. Please verify which particular scorecard applies to this electrical tender.

**ANSWER:** The supplier is correct in referring to the Construction Sector Codes, however , the Codes has been repealed and we therefore as per Briefing Session Presentation, accept the certificates issued on the Amended Codes as stated during Tender Briefing session.

**QUESTION:** Please could you advise on the P&G Section for tender NO: RFP 51/2015.

**ANSWER:** The P & G is a legal contractual document giving the contractor change to price on all P&G related items required for such a contract

- Only the items deemed necessary by the contractor need to be priced
- The items deemed not necessary by the contractor can be priced nil or left blank

**QUESTION:** Would like to confirm if it is possible to enter into a Joint Venture with a company that is not CIDB EB Class registered.

**ANSWER:** For joint ventures, the lead partner must have a CIDB grading of 3 SN and a registration certificate issued by the CIDB must be submitted.

**QUESTION:** Would you be so kind to send me the BOQ in excel format as it will help me with my pricing.

**ANSWER:** It was instructed that bidders will be issued with only the PDF version of Bill of Quantity (BoQ).
