The successful Bidder(s) will be required to provide guarding services to SARS Sites in the region(s) they are allocated. For logistical reasons and management of the Services, SARS divided the SARS Sites into **three (3) regions** as shown in the table below.

Table 1A

Region A	<ul style="list-style-type: none">• Gauteng North including Witbank• Limpopo and Mpumalanga Provinces,

Region C	<ul style="list-style-type: none">• KwaZulu-Natal Province• Western Cape and Northern Cape Provinces, excluding Kimberley• Eastern Cape Province

The list of SARS regional requirements is attached to this RFP document and is incorporated into the Pricing Schedule, which is attached hereto as **Annexure B**.

Notwithstanding the service delivery model chosen by Bidders, SARS insists that there should be one (1) primary or leading service provider who will contract with SARS and be responsible for the delivery of the technical solution in the region(s) to which it is appointed.

9.8.6 Partly Covered or Uncovered Shifts

- 9.8.6.1 The successful Bidder shall ensure that all Security Officers, assigned to a shift, report for duty on time. Late coming shall be regarded as a partially covered or uncovered shift.
- 9.8.6.2 Whenever a Security Officer is late or absent for a shift, the incident must immediately be reported to the SARS Authorised Representative or his/her appointed delegate and a replacement must be deployed on a site within one (1) hour.
- 9.8.6.3 The replacement Security Officer shall not be a person who has just

performed the Services elsewhere or at a Site immediately prior to the shift of the late or absent Security Officer.

9.8.6.4 The replacement Security Officer must be of the same quality and grading level as the absent Security Officer.

9.8.6.5 The replacement Security Officer must be trained on SARS Site instructions and procedures, prior to the placement.

9.8.6.6 Contingency plans must be developed and implemented at all SARS Sites in relation to short or late postings.

9.8.7 **Change and Replacement of Security Officers**

9.8.7.3 **Paragraphs 9.8.6.4 and 9.8.6.5** above shall apply with regard to the replacement Security Officer.

9.8.8 **Communication**

9.8.8.1 The successful Bidder must ensure that Security Officers have a minimum of one (1) cellular telephone per site, which must be fully functional at all times.

9.8.9 **Security Equipment**

9.8.9.1 The successful Bidder must ensure that-

9.8.9.1.2 any of its Security Equipment used or resources deployed at SARS Sites to perform the Services are declared at all times in the Occurrence Book.

9.8.9.2 The successful Bidder shall conduct inspections of all Security Equipment deployed on SARS Sites. Should any of SARS's Security Equipment fail to be fully functional at any point during the contract term, the successful Bidder must ensure that it is immediately reported to SARS to ensure a replacement is provided, in order to prevent an interruption of the Services.

9.8.9.3 All stationery in relation to the Security Officers' duties must be provided by the successful Bidder.

9.9 Notification of Disciplinary Action / Hearings

The successful Bidder must inform the SARS's Authorised Representative or his/her appointed delegate of **any** disciplinary action taken against a Security Officer deployed at SARS in terms of this RFP. Withholding such information shall constitute a serious breach of the MSA.

9.10 Information Detrimental to SARS's Security

The successful Bidder shall immediately inform the SARS's Authorised Representative or his/her appointed delegate of any information in its possession or that it ought reasonably to be aware of, that is detrimental to SARS's physical security or safety.

9.11 Instructions and Requests

The successful Bidder and its Personnel, assigned to the delivery of the Services, must adhere to reasonable written requests and instructions by the SARS's Authorised Representative or his/her appointed delegate.

9.12 Removal of Information / Property

The successful Bidder's Personnel must not remove any SARS Confidential and/or Taxpayer Information (irrespective of the media it is contained in) or SARS's property without the written authority of the SARS's Authorised Representative or his/her appointed delegate.

9.13 Performance Standards

9.13.1 SARS has determined certain minimum performance standards (Service Levels), the adherence to which is **deemed crucial** to the delivery of the Services at acceptable levels. In this regard, Bidders are requested to carefully study **Annexure D** hereto which contains the Service Levels and the Financial Penalties applicable in respect of Performance Failures.

9.13.2 Failure to adhere to Service Levels will result in SARS levying a financial penalty for the Performance Failure. Multiple Performance Failures will constitute sufficient proof of persistent non-compliance by the successful Bidder with SARS's prescribed Service Levels and that such persistent non-compliance will constitute a material breach of the MSA.

9.13.3 Notwithstanding the implementation of the Service Levels and Financial Penalty schedule as set out in **Annexure D**, SARS reserves the right and without derogation to any other remedies it may have in law, to-

9.13.3.1 terminate the MSA for breach (persistent non-compliance) by the successful Bidder;

9.13.3.2 cancel with immediate effect the provision of the Services to the affected SARS Site; or

9.13.3.3 reallocate with immediate effect the Services to the affected SARS Site to another service provider, appointed in terms of this Bid process, or such other service provider as may be appointed by SARS in its exclusive discretion. In such an event, the outgoing

service provider shall be obliged, and ***for its own account***, to assist in the seamless transition of the Services to the incoming service provider.

9.13.4 Where SARS invokes the rights reserved in **paragraph 9.13.3**, the successful Bidder shall be obliged to reduce the monthly fees for the affected region accordingly in the month following the adjustment.

9.13.5 Cancellation or reallocation of Services in terms of this paragraph shall be without any liability to SARS, except for payment of the Services already rendered by the successful Bidder less applicable financial penalties.

11. EVALUATION AND SELECTION CRITERIA

13. MANDATORY REQUIREMENTS - [Gate 1]

Only Bidder(s) that have met the Pre-Qualification Criteria in **GATE 0** will be evaluated in **GATE 1** for compliance with the Mandatory Requirements.

In line with the Government's objectives for the advancement of SMMEs and certain designated groups, mandatory criteria have been introduced for preferential procurement.

In addition, the mandatory criteria may stipulate that only one or more of the following bidders may respond to this bid:

- a) A tenderer having a stipulated minimum B-BBEE status level of contributor;
- b) An EME or QSE;
- c) A tenderer subcontracting a minimum of 30% to-
 - i) An EME or QSE which is at least 51% owned by black people;
 - ii) An EME or QSE which is at least 51% owned by black people who are youth;
 - iii) An EME or QSE which is at least 51% owned by black people who are women;
 - iv) An EME or QSE which is at least 51% owned by black people with disabilities;
 - v) An EME or QSE which is at least 51% owned by black people living in rural or underdeveloped areas or townships;
 - vi) A cooperative which is at least 51% owned by black people;
 - vii) An EME or QSE which is at least 51% owned by black people who are military veterans; and
 - viii) An EME or QSE.

A tender that fails to meet any qualifying criteria stipulated in the tender documents is **NOT** an acceptable tender.

In respect of this RFP, the B-BBEE status level of contributor must be either 1 or 2 as appears in Table 13A. Furthermore, because the contract value exceeds R30 million, successful Bidders must subcontract a minimum of 30% of the value of the contract to the below mentioned specified EME or QSE.

Table 13A

Mandatory Requirements	Non-submission WILL result in disqualification
B-BBEE status levels 1 and 2.	YES – Please submit a valid B-BBEE Status Level Verification Certificate or sworn affidavit (whichever applicable according to SBD 6.1) with a B-BBEE status level 1 or 2.
Bidders must subcontract a minimum of 30% of the value of the contract to an EME or QSE, which is at least 51% owned by black people.	YES – Bidders must submit proof of a subcontracting arrangement between the main Bidder and the subcontractor. Proof of the subcontracting arrangement may include a subcontracting agreement between the main Bidder and the subcontractor.
Letter of Good Standing with the Private Security Industry Regulatory Authority.	YES – Please submit a current and valid copy of a Letter of Good Standing issued by PSIRA.

In addition to compliance with the B-BBEE status levels and mandatory subcontracting, SARS requires that the successful Bidder be compliant with the PSIRA. To this extent, the Bidders **MUST** submit a Letter of Good Standing issued by PSIRA in the form of **Annexure F**. Bidders must take **PARTICULAR NOTICE** that a certificate of registration with PSIRA is not acceptable for purposes of compliance with this requirement.

The report containing the list of potential subcontractors may be drawn by accessing the following link: www.csd.gov.za. Bidders must apply the Preferential Procurement filters to display: EME or QSE which is at least 51% owned by black people.

14. TECHNICAL EVALUATION [GATE 2] = 100 POINTS

14.1 Only Bidder(s) that have met the Pre-Qualification Criteria in **GATE 0**, and complied with the Mandatory Requirements **GATE 1**, will be evaluated in **GATE 2** for functionality. Bidder(s) must achieve a minimum of **70 out of 100 points for each region that the Bidder intends to render the Services to SARS**, in order to pass to

the next stage of the evaluation i.e. **GATE 3**.

14.2 Bid proposals will be evaluated on their level of compliance with the Business Requirements of this Bid, as fully set out in **paragraph 9** above, as well as **Annexure A** hereto. In particular, Bidders will be scored in terms of the below mentioned technical competencies.

Technical Adjudication Criteria	Maximum Points Achievable	Minimum Threshold
<ul style="list-style-type: none"> • Experience to deliver on the scope of work • Infrastructure and capability • Services' offering 	100 points	70 points

15. PRICING AND B-BBEE EVALUATION [GATE 3] (90 + 10) = 100 POINTS

15.1 Stage 1 - Pricing Evaluation (90 points)

Bidders must submit their price proposals based on the pricing schedule attached hereto as **Annexure B**. Total prices must be **VAT inclusive**.

The formula below will be used in evaluating the Bidder's price:

Adjudication Criteria	Points
Price Evaluation $P_s = 90 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$	90

Where

P_s = Points scored for price of tender under consideration

P_t = Price value of tender under consideration

P_{\min} = Price of lowest acceptable bid

15.2 Stage 2 - B-BBEE Evaluation (10 points)

In line with the requirements of the Preferential Procurement Regulations, 2017 to the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000) [the “PPPFA”] tenders that have achieved the minimum qualifying score for functionality will be evaluated further in terms of the prescribed preference point systems:

- (i) Regulation 6 - 80/20: A maximum of 20 points may be allocated to a bidder; or
- (ii) Regulation 7 - 90/10: A maximum of 10 points may be allocated to a bidder.

B-BBEE points may be allocated to Bidders on submission of documentation or evidence as follows:

Adjudication Criteria	Points
A duly completed Preference Point Claim Form: SBD 6.1 and a B-BBEE Certificate.	10

The checklist below indicates the specific B-BBEE certification documents that must be submitted for this tender.

Classification	Turnover	Submission Requirement
Exempted Micro Enterprise (EME)	Below R10 million p.a.	Sworn affidavit or a certificate from Companies and Intellectual Property Commission (“CIPC”) or a certified copy of B-BBEE Rating Certificate from a SANAS Accredited rating agency.
Qualifying Enterprise (QSE)	Small Between R10 million and R50 million p.a.	Sworn affidavit – Only 51% Black Owned (BO) and above, or certified

Classification	Turnover	Submission Requirement
		copy of B-BBEE Rating Certificate from a SANAS Accredited rating agency.
Large Entity (LE)	Above R50 million p.a.	Certified copy of B-BBEE Rating Certificate from a SANAS Accredited rating agency.

Failure on the part of a Bidder to submit a B-BBEE Status Level Verification Certificate from a verification agency accredited by the South African Accreditation System (SANAS), or a sworn affidavit confirming annual turnover and level of black ownership in case of an EME and QSE together with the bid, will be interpreted to mean that preference points for B-BBEE status level of contribution are not claimed.

Bidders who do not claim preference points will be scored zero for BEE but cannot be excluded from the tender process, for that reason.

Use and acceptance of Affidavits

Please note that sworn affidavits must be signed by the Bidder's representative and attested to by a Commissioner of Oaths.

SARS reserves the right to request that Bidders submit their Black ownership and turnover information in support of their sworn affidavits.

Joint Ventures and Consortiums

A trust, consortium or joint venture (including unincorporated consortia and joint ventures) will qualify for points for their B-BBEE status level, provided that the entity submits their consolidated B-BBEE Status Level Verification Certificate / scorecard and that such consolidated B-BBEE Certificate / scorecard is prepared for every separate bid.

Subcontracting

BIDDERS WHO WANT TO CLAIM PREFERENCE POINTS WILL HAVE TO COMPLY FULLY WITH REGULATIONS 9(2)(b) AND 12(3) OF THE PREFERENTIAL PROCUREMENT REGULATIONS, 2017 WITH REGARD TO SUBCONTRACTING:

Regulation 9(2)(b)

- (1) If feasible to subcontract for a contract above R30 million, an organ of state must apply subcontracting to advance designated groups.
- (2) If an organ of state applies subcontracting as contemplated in sub regulation (1), the organ of state must advertise the tender with a specific tendering condition that the successful tenderer must subcontract a minimum of 30% of the value of the contract to-
 - (b) an EME or QSE which is at least 51% owned by black people.

Regulation 12(3)

A person awarded a contract may not subcontract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level of contributor than the person concerned, unless the contract is subcontracted to an EME that has the capability and ability to execute the subcontract.

Proof of Existence: Joint Arrangements and/or Subcontracting

Bidders must submit concrete proof of the existence of joint arrangements and/or subcontracting arrangements. SARS may accept signed agreements as acceptable proof of the existence of a joint arrangement and/or subcontracting arrangement.

The joint arrangement and/or subcontracting agreements must clearly set out the roles and responsibilities of the Lead Partner and the joint arrangement and/or subcontracting party. The agreement must also clearly identify the Lead Partner, who shall be given the power of attorney to bind the other party/parties in respect of matters pertaining to the joint arrangement and/or subcontracting arrangement.

15.3 Stage 3 (90 + 10 = 100 points)

The Price and B-BBEE points will be consolidated to determine the successful Bidder.

16. SELECTION AND APPOINTMENT

16.1 SARS intends to award a bid to and appoint ONLY ONE (1) successful Bidder, per region, based on the selection of the Bidder. SARS will thus appoint the highest scoring Bidder in each region, subject to the maximum allocation of one (1) region per Bidder.

16.2 Once a Bidder has been appointed in a particular region, it becomes automatically ineligible for appointment in the other regions, provided there are other Bidders competing for the other regions. It is therefore crucial for Bidders to INDICATE their selection of the region they intend to deliver the Services.

16.3 Should Bidders already allocated the maximum of one (1) region be the only Bidders, who bid for the third and final region still to be allocated, SARS will award the region to the highest scoring Bidder in that region.

17. AGREEMENTS

17.1 General Conditions of Contract

Any award made to a Bidder under this bid is conditional, amongst others, upon–

17.1.1 The Bidder accepting the terms and conditions contained in the General Conditions of Contract, as the minimum terms and conditions upon which SARS is prepared to enter into a contract with the Successful Bidder.

17.1.2 The Bidder submitting the General Conditions of Contract to SARS together with its bid, duly signed by an authorised representative of the Bidder.

17.2 Master Services Agreement

- 17.2.1 Upon award, SARS and the successful Bidder will conclude an agreement regulating the specific terms and conditions applicable to the services being procured by SARS, more or less in the format of the draft MSA included in this tender pack.
- 17.2.2 SARS reserves the right to vary the proposed terms and conditions of the draft MSA upon the award of this RFP.
- 17.2.3 Bidders are requested to carefully read through the MSA and annexures, and familiarise themselves with the terms and conditions of the MSA as they form an integral part of these specifications, and are incorporated herein by reference.
- 17.2.4 Bidders are not required to sign the draft MSA when submitting the Bidder's proposal.

18. CONDITIONS OF AWARD

18.1 Security Vetting

See **paragraph 9.3** above.

18.2.2 professional indemnity insurance cover to a minimum of **five hundred thousand rand (R500 000.00)** per Security Incident against all actions, suits, claims or other expenses arising in connection with damages or loss suffered by SARS as a result of breach of the terms and conditions of the MSA in providing the Services or component thereof.

18.3 Price negotiation

The award of the Bid may be subjected to price negotiation with the preferred Bidders.

18.4 Tax Compliance

See **paragraph 20.10** in this regard.

18.5 Not restricted with National Treasury

See **paragraph 20.11** in this regard.

18.6 An updated Letter of Good Standing issued by PSIRA

Should the Letter of Good Standing, submitted under mandatory requirements by the successful Bidder, have expired between the closing date of the tender and the date of conditional award, SARS will request the successful Bidder(s) to produce a current and valid Letter of Good Standing issued by PSIRA.

19. DUTIES OF BIDDER(S) AFTER AWARD

19.1 The successful Bidders will be required to sign the SARS Oath / Affirmation of Secrecy prior to performing any of the Services in terms of this RFP.

19.2 The successful Bidders must **one (1) week** prior to commencing with the performance of the Services, and for the Bidders' own accounts, familiarise themselves with SARS standards, policies and procedures.

20. SPECIAL CONDITIONS OF THE BID PROCESS

The conditions for participation in this Bid process are indicated below, and must be adhered to. Failure to do so could result in disqualification from the Bid process.

Bidders must obtain information pertaining to this Bid through the official channels as prescribed in this Bid document. Any attempt to gain information in a manner deemed to be unfair or disadvantageous to other prospective bidders, or any attempt to unfairly influence the outcome of this Bid process will result in disqualification of the offending Bidder from the Bid process. By participating in this Bid process, Bidders acknowledge and accept the conditions as laid out in this Bid document.

20.1 SARS reserves the right:

- 20.1.1 Not to award or cancel this Bid at any time and shall not be bound to accept the lowest or any bid;

- 20.1.3 To accept part of a bid rather than the whole bid;
- 20.1.4 To cancel and/or terminate the Bid process at any stage, including after the closing date and/or after presentations have been made, and/or after bids have been evaluated and/or after the preferred Bidder(s) have been notified of their status as such;

- 20.1.6 To correct any mistakes at any stage of the Bid that may have been in the Bid documents or occurred at any stage of the Bid process.

20.2 SARS requires Bidder(s) to declare:

In the Bidder's Technical Response, the Bidder(s) are required to declare the following:

20.2.1 Confirm that the Bidder(s) shall:

- 20.2.1.1 Act honestly, fairly and with due skill, care and diligence, in the interests of SARS;
- 20.2.1.2 Have and employ effectively the resources, procedures and appropriate technological systems for the proper performance of the services;
- 20.2.1.3 Act with circumspection and treat SARS fairly in a situation of conflicting interests;
- 20.2.1.4 Comply with all applicable statutory or common law requirements applicable to the conduct of business;
- 20.2.1.5 Make adequate disclosures of relevant material information, including disclosures of actual or potential own interests, in relation to dealings with SARS;

20.3 Conflict of Interest, Corruption and Fraud

SARS reserves its right to disqualify any Bidder who either itself or any of whose members (save for such members who hold a minority interest in the Bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a fifteen percent (15%) interest in the Bidder other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of SARS or any other government organ or entity and whether from the Republic of South Africa or otherwise (“Government Entity”):

- 20.3.1 Engages in any collusive tendering, anti-competitive conduct, or any other similar conduct, including but not limited to any collusion with any other Bidder in respect of the subject matter of this Bid;
- 20.3.2 Seeks any assistance, other than assistance officially provided by a Government Entity, from any employee, advisor or other representative of a Government Entity in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- 20.3.3 Makes or offers any gift, gratuity, anything of value or other inducement, whether lawful or unlawful, to any of SARS’s officers, directors, employees, advisors or other representatives;

20.3.7 Has in the past engaged in any matter referred to above; or

20.3.8 Has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether or not a prison term was imposed and despite such Bidder, member or director's name not specifically appearing on the List of Tender Defaulters kept at National Treasury.

20.4 Bidder's Own Terms and Conditions or Bid Qualifications

This document contains the terms and conditions of this Bid and Bidders must not qualify the specifications or come up with their own terms and conditions. SARS reserves the right to disqualify a bid which seeks to modify or depart from the specified conditions.

20.5 Misrepresentation during the Lifecycle of the Contract

20.5.1 The Bidder should note that the terms of its proposal will be incorporated in the proposed MSA by reference, and that SARS relies upon the Bidder's proposal as a material representation in making an award to a successful Bidder and in concluding a MSA with the Bidder.

20.5.2 It follows therefore that misrepresentations in a proposal may give rise to service termination and a claim by SARS against the Bidder, notwithstanding the conclusion of the MSA between SARS and the Bidder for the provision of the Services in question. In the event of a conflict between the Bidder's proposal and the MSA concluded between the Parties, the MSA will prevail.

20.6 Preparation Costs

The Bidder will bear all its costs in preparing, submitting and presenting any response or tender to this Bid and all other costs incurred by it throughout the Bid process. Furthermore, no statement in this Bid will be construed as placing SARS, its employees

or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the Bidder in the preparation of their response to this bid.

20.7 Indemnity

If a Bidder breaches the conditions of this Bid and, as a result of that breach, SARS incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the Bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the Bidder indemnifies and holds SARS harmless from any and all such costs which SARS may incur and for any damages or losses SARS may suffer.

20.8 Precedence

This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

20.9 Limitation of Liability

A Bidder participates in this Bid process entirely at its own risk and cost. SARS shall not be liable to compensate a Bidder on any grounds whatsoever for any costs incurred or any damages suffered as a result of the Bidder's participation in this Bid process.

20.10 Tax Compliance

No tender shall be awarded to a Bidder who is not tax compliant. SARS reserves the right to withdraw an award made, or cancel a contract concluded with a successful Bidder in the event that it is established that such Bidder was in fact not tax compliant at the time of the award. SARS further reserves the right to cancel a contract with a successful Bidder in the event that such Bidder does not remain tax compliant for the full term of the contract.

20.11 National Treasury

No tender shall be awarded to a Bidder whose name (or any of its members, directors, partners or trustees) appears on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. SARS reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a Bidder has been blacklisted with National Treasury by another government institution.

20.12 Governing Law

South African law governs this Bid and the Bid response process. The Bidder agrees to submit to the exclusive jurisdiction of the South African High Courts in any dispute of any kind that may arise out of or in connection with the subject matter of this Bid, the Bid itself and all processes associated with the Bid.

20.13 Responsibility for Subcontractors

20.13.1 SARS intends to conclude a MSA with the preferred Bidders (as opposed to a joint venture or subcontractors), thus the preferred Bidders and not the subcontractors will be liable for the performance in terms of the contractual obligations.

20.13.2 It is the responsibility of the Bidder to select competent and capable subcontractors that meet all requirements of the tender so that their tender is not jeopardized by the subcontractor when evaluated. Bidders are responsible for all due diligence on their subcontractors.
