#### **Questions and Answers**

<b>No</b>	<b>Questions</b>	<b>Answers</b>
1.	Can we do a PowerPoint presentation or is a video required?	A Power Point presentation and/or slides will be allowed if it fully explains the functionalities of the proposed solution offerings.
2.	Is this on a specific product or an overall presentation?	It's an overall presentation and/or slides of the proposed solution offerings. In addition, if required by the evaluation panel members, the Service provider/s may be requested to provide additional demonstrations especially in demonstrating the user-friendliness of the solution. This may include physical presentations to a panel of evaluators and/or a live video conferencing showing a facility where the solution has been implemented and utilized successfully. The Service provider/s must also explain the scoring algorithm, reliability and usage and provide proof that their credit scoring algorithm is used and relied upon by reference-able clients in related sectors (e.g. retail and/or finance).
