Question and Answer Table

No	Question	Answer
1.	The total number of LPR cameras.	Please refer to the amended price template for the different cameras required. Bidders are required to quote SARS for a unit cost. SARS will engage the appointed Service Provider (post tender award) for the detailed required quantities per site through a service request.

No	Question	Answer
2.	Where is the cost of the central system being allocated to as everything is specified at a regional or site level	<p>There is no requirement for the bidder to make allocation of cost relating to a central system in the requirement – the awarded service provider will do the installation per site, per province and the integration or linking to a SARS control room will be done by SARS.</p> <p>The Integrating Software that will combine all the systems is not part of this tender</p>
3.	Please confirm if it is not a requirement to subcontract for Stream 3 as your “Mandatory Pre-Technical” document does not request the SBD 6.1 in Stream 3.	<p>It is not a mandatory requirement to subcontract for Stream 3 only for Stream 1 and Stream 2 (Subcontracting is encouraged for stream 3 but is only mandatory for stream 1 and stream 2)</p> <p>Please note that the bidder needs to submit a separate SBD6.1 document for each stream the bidder is responding to</p>
4.	<p>On pg. 11 of 40 of the Request for Proposal document (Guidelines), you request the “Draft Agreement” at point number 5.</p> <p>This was not included in the tender pack, please will you be so kind as to supply this document</p>	<p>The draft legal agreement will be uploaded to the SARS website before the tender closes (30/11/2022)</p> <p>At the time of publishing the tender the “general condition of contact” document formed part of the tender pack and it was noted that it was to be replaced with an upload</p>

No	Question	Answer
		The draft agreement cannot differ materially from the “general condition of contract”
5.	Please clarify which file the financial statements should be placed in as the document is contradictory	Please file according to the main document - SARS RFP 08-2022 1-1 Summary Guidelines Instructions and Conditions Use the checklist (SARS RFP 08-2022 5-4 Proposal Response Checklist) as a “tool” to ensure the completeness of your submission
6.	Please clarify which file the SBD 6.1 should be placed in as the document is contradictory	Please file according to the main document - SARS RFP 08-2022 1-1 Summary Guidelines Instructions and Conditions Please note 3 SBD6.1 documents are required (1 for each stream being responded to)
7.	The tender documents include the file titled : SARS RFP 08-2022 3-5 Local Content Annexures C D E (SBD 6.2). We however do not see a document for SBD 6.2 as part of the tender pack. Should we not include an SBD6.2 document with the Annexures C,D and E?	SBD 6.2 (with Annexures C,D and E) is not required to be submitted Use the checklist (SARS RFP 08-2022 5-4 Proposal Response Checklist) as a “tool” to ensure the completeness of your submission
