**8.7.1** SARS has a legal and moral obligation to ensure that a supplier's financial position does not place public money or services at unacceptable risks and will therefore perform due diligence and risk assessment of recommended bidder(s) prior to award.

**8.7.2** As part of due diligence and risk assessment, the bidder must ensure that the bidder is complying to all regulatory prescripts, including industry regulations specific to the commodity/services procuring, that are applicable to this tender, as well as ethical business practices. **8.7.4** The recommended bidder(s) will be required to consent in the agreement to continuous and in-depth due diligence to ensure ethical business practices throughout the term of the tender.

## **8.8 Proposed Services Agreement**

- 8.8.1** Any award made to a bidder under this RFP is conditional, amongst other provisions, upon SARS and such bidder concluding a written Services Agreement within seven (7) working days of the bidder receiving the written agreement. The timeous finalisation of such an agreement will be an absolute pre-condition to the recommended bidder(s) being awarded the tender and providing the goods or services to SARS.
- 8.8.2** If the recommended bidder(s) fails to sign the proposed Services Agreement within the time frame stipulated, SARS reserves the right to:

- 8.8.4.1 SARS will enter into negotiations with the bidder with a view to concluding the Services Agreement.
  - 8.8.4.2 SARS will be entitled to cease negotiating with a bidder if SARS, in its sole discretion, is of the opinion that: (i) the bidder has made misrepresentations in its proposal; (ii) the bidder is attempting to withdraw from positions or commitments made in its proposal; (iii) the bidder is not negotiating in good faith; or (iv) an agreement may not be expeditiously concluded with the bidder for any other reason.

- 8.8.5** A bidder should note that the terms of its proposal will be incorporated in the proposed Services Agreement by reference and that SARS relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder. It follows therefore that any misrepresentations in a proposal may result in legal action or other processes by SARS against the bidder, notwithstanding the conclusion of an agreement between SARS and the bidder for the provision of the goods and services in question. In the event of a conflict between the bidder's proposal and the Services Agreement concluded between the parties, the Services Agreement will prevail.

## **8.9 Performance Standards**

- 8.9.1** If the successful Bidder fails to perform the Services within the specifications or turnaround times

specified in the Services Agreement or the approved detailed project plan, due to reasons solely attributable to the successful Bidder, SARS shall, without prejudice to its other remedies under the Services Agreement, be entitled to deduct, as a penalty, for non-performance, delayed performance or defective performance, an amount of up to ten percent (10%) of the amount due to the successful Bidder: Provided that SARS will provide the successful Bidder with written notice of its intention to so deduct, supported by reasonable detail of the actual penalty levied.
