**MEMORANDUM ON THE OBJECTS OF THE RATES AND  
MONETARY AMOUNTS AND AMENDMENT OF REVENUE LAWS  
(ADMINISTRATION) BILL, 2016**

**1. INTRODUCTION**

The Rates and Monetary Amounts and Amendment of Revenue Laws Bill, 2016, is introduced in Parliament as a money Bill in terms of section 77 of the Constitution. Part II of that Bill proposes to introduce a special voluntary disclosure programme in respect of offshore assets and income. The programme was announced by the Minister of Finance in the Budget Speech in Parliament on 24 February 2016.

**2. PURPOSE OF BILL**

The Bill proposes to provide for administrative matters in respect of additional relief under the voluntary disclosure programme.

**3. OBJECTS OF BILL**

3.1 Clause 1 deals with the interpretation of terms in the Bill. Generally terms bear the meaning assigned to them in the Tax Administration Act, 2011 (Act No. 28 of 2011). The term “application” refers specifically to an application for the additional voluntary disclosure relief envisaged in Part II of the Rates and Monetary Amounts and Amendment of Revenue Laws Bill, 2016. The definition of “trust” refers to the definition in the Income Tax Act, 1962 (Act No. 58 of 1962), and expands it to include foreign arrangements similar to trusts.

3.2 Clause 2 specifies the conditions under which an application for additional voluntary disclosure relief may be made. Subclause (2) indicates the circumstances under which such an application may not be made.

3.3 Clause 3 deals with the changes that apply to the understatement penalty in cases where an application for additional voluntary disclosure relief has been approved.

3.4 Clause 4 makes provision for the short title of the proposed Act.

**4. CONSULTATION**

The amendments proposed by this Bill were published on SARS and National Treasury’s websites for public comment. Comments by interested parties were considered and changes were made as a consequence. Accordingly, the general public and institutions at large have been consulted in preparing the Bill.

**5. FINANCIAL IMPLICATIONS FOR STATE**

An account of the financial implications for the State was given in the 2016 Budget Review, tabled in Parliament on 24 February 2016.

**6. PARLIAMENTARY PROCEDURE**

6.1 The State Law Advisers and the National Treasury and South African Revenue Service are of the opinion that this Bill must be dealt with in accordance with the procedure established by section 75 of the Constitution of the Republic of South Africa, 1996, since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.

6.2 The State Law Advisers are of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it contains no provision pertaining to customary law or customs of traditional communities.
