1 PURPOSE

- This guide in its design, development, implementation and review phases is guided and underpinned by the SARS strategic objectives, the SARS Intent, and the SARS values, code of conduct and the applicable legislation. Should any aspect of this guide be in conflict with the applicable legislation the legislation will take precedence.

- This guide is designed to assist Fund Administrators / Long-term Insurers / Employers / Tax Practitioners and/or Individuals with the Tax Directive administrative functions on eFiling:
  - To activate the Tax Directive function;
  - Set applicable rights for the user(s) of eFiling;
  - To assist with the completion and submission of the IRP3(b) and IRP3(c) tax directives forms, by Organisations, Tax Practitioners and/or Individual taxpayers, and to ensure that they are successful;
  - Obtain a simulation of the Lump Sum tax calculation;
  - Provide guidance with the uploading and submission of supporting documents; and
  - Any other relevant functions on eFiling.

2 INTRODUCTION

- The purpose of a tax directive is to enable SARS to instruct an Employer, Fund Administrator or Insurer on how to deduct employees’ tax from certain lump sums payable to a taxpayer or member.

- Employers, Fund Administrators and Insurers can request a tax directive from SARS via the following channels:
  - eFiling – Employers and Fund Administrators who have an organisation profile can log in and request a directive online.
  - Register as an Interface agent. (Refer to the Tax Directive Interface specification)

- Tax calculations, according to the tax directive, should be regarded merely as an estimate according to the information on the SARS tax directive system. Some Employees may find that they still have to pay in substantial amounts or that a credit may be due to them once the final liability is determined on assessment. On assessment the final tax liability will be determined according to the date of accrual on the tax directives submitted.

- The Employer / Fund Administrator / Insurer must ensure that the correct application form is used, according to the reason for the exit from the fund / Employer’s service and the nature of the amount payable to the Employee / member of the fund.

3 WHO MUST COMPLETE AND SUBMIT A TAX DIRECTIVE APPLICATION FORM?
